Summer perfumes

What elevates all that hot girl summer vibes other than wearing the right summer perfume? After a year and a half of limitations, even children are safely playing outdoors; we're gorging ourselves on picnics, crop tops, drinking way too much rosé, and trying out the best summer perfumes. If you're more of a fan of the moodier and more appropriate for cooler weather fragrances, we're still positive that you'll find your new summer perfume here. Keep on reading for our full list of the top four best summer perfumes for women in 2021.
