Aadyant Foundation for Autism is a national non-profit organization dedicated to promoting solutions, across the spectrum and throughout the lifespan, for the needs of children with Autism and their families through advocacy and support; increasing understanding and acceptance of children with Autism Spectrum Disorder and better interventions for Autism.

Aadyant foundation was founded and registered on 21st January 2019 with the aim of treating children and individuals with special needs, those who are underprivileged and need all the support. Every child with Autism has different capabilities. Our goal at Aadyant Foundation is to identify these capabilities and work towards maximizing their potentials
