hello@abpppapers.com

Founded in 2019 with the backing of Orient Links LLC (the largest distributors of paper and paper products in the Middle East, Africa and the Indian sub-continent region) and Ballarpur Industries Limited (India's largest manufacturer of writing & printing paper), ABPP Papers is at the forefront of innovation and design in eco-friendly & durable foodservice packaging.

Through our design & concept program and rapid prototyping, we enable our clients to develop unique and sustainable foodservice solutions for their customer base. Coupled with our strong manufacturing capabilities, we offer holistic solutions to a wide variety of clients.
