We are one of India's fastest-growing networks of trading platforms, operating in 1000+ cities across India. We help people buy and sell cars, find housing, get jobs, buy and sell household goods, and much more.

You are at the center of everything we do at Adycart. Our mission is to enable each and every person in the nation to independently interact with buyers and merchants online. Adycart is widely acknowledged as India's most popular online classifieds platform, and there is a good reason for that reputation. Adycart was the brainchild of Syed Abdul Ghany. We are concerned about you and the business dealings that move you closer to reaching your goals. Do you want to purchase your very first car? You can count on us to assist you. Do you want to buy a house for your family but first need to sell some business property? You can count on us to assist you. Whatever work you've got, we vow to get it done.
