Prashaant Steel is a certified manufacturer, exporter, supplier, trader and importer of Ferrous and Non-Ferrous Industrial Raw Materials. Incorporated in the year 1983. We provide technically sound solutions and create additional value in mutual interest with our customers resulting in being a preferred manufacturer within the Fitting & Flanges sector.

We help customers develop their energy resources, bringing world class capability and delivering it locally. We promote commercial arrangements that are aligned to our customers' needs. Build strong relationships with our customers which we achieve, for example, by employing and training local workforce's. Develop trust in our reliability and integrity - which we are reinforcing, for instance, by developing a global compliance network. Manage risks more effectively as we do with the social and environmental impact assessments that we carry out in all geographies. Establish strong employee engagement.
