Dr. Amit Chugh is an experienced and talented surgeon specializing in all spine-related issues. He is board certified in orthopaedic surgery and has completed fellowships in both spinal surgery and **spinal deformity**. He has extensive experience in diagnosing and treating a wide range of spine-related problems, including **spinal disc** herniations, **spinal stenosis**, spinal deformity, and spinal trauma. He has a reputation for providing excellent patient care, and his goal is to provide the highest quality care to his patients. He is dedicated to providing individualized treatment tailored to each patient's specific needs. He utilizes evidence-based medicine to provide optimal outcomes. He is committed to helping his patients achieve their desired results and to making sure they are comfortable and well informed throughout their treatment.
