ATS group is a leading real estate provider in NCR with several projects spread across millions of acres of land. It was launched in 1998 with Mr. Getamber Anand at its helm as the Chairman & Managing Director. The company has till date delivered 2.5 million sq.m of residential space and another 1.9 million sq.m of space is under construction across India. The core objective of the organization is to deliver world class residential and commercial projects while meeting assured timelines. ATS properties are best known for their superior structural strength, advanced shuttering technology, in-house construction and maintenance, Spanish and art deco architecture, lush green landscapes and only 2 apartments per floor for the privacy of the residents.
