Business Network Gateway (BNG) is an online place that was created as an online portal that gives all series of services to businesses and customers that helps in reaching out the product from the manufacturer to the consumer. The portal is a B2B (Business to Business) marketplace founded by the BNG INFO MEDIA & TECHNOLOGIES LLP. BNG doesn't just supervise connecting buyers and sellers via the platform but also allows all kinds of manufactures, exporters, importers, buyers, and sellers worldwide to find a commonplace online for their product.
