New Auto Tack Pvt Ltd is a recognized brand working in the field of manufacturing all types of Trolley Wheels. We manufacture these wheels by putting the hardest consideration upon the hygiene and quality of the material. While developing Roller Wheels Manufacturers in India, we use the raw material sourced from the most reliable vendors. The wheel consists of solid rubber tires on metal or plastic core and is offered in mechanical bonding between rubber and core to ensure long life. Further, these are offered in two types of Rubber Tyre (RT) and Rubber Bonded (RB).

If you want to get perfect condition and excellent performance any type of Trolley Wheels at a very trusted price then contact us at New Auto Tech Pvt Ltd.
