Bharat Photon is a leading and one of the oldest company manufacturing automation products since 1983. We specialize in Sensor-based automation products for Industries and **Washroom Hygiene**. Our foremost concerns have always been on quality and SUPERIOR CUSTOMER SERVICE. Having a technical background clubbed with experience & expertise in our field enables us to score an edge over others in the industry.

We are especially designing and manufacturing tougher products that last longer and are easier to repair unlike use & throw imported ones which are marketed extensively in India by big brands. We are committed to serving our country with an easily repairable lifetime product with no need to replace the entire system in life.
