Furniture Adda is an Indian online retailer of modern, contemporary & rustic furniture and home decor accessories, which is registered under company **Zippora Impex House**. Our upscale styles are skilfully designed with form, fashion and function in mind. We are widely known for our organic textures, modern designs and clean lines. Our methods and tools help us to create a unique collection of furniture that is one of a kind!

At Furniture Adda, we believe that home starts with a feeling. We curate inspiration for the home, connecting the creative work of artisans and designers to our customers. We are proud to help our customers decorate their homes with the latest styles at affordable prices. We have a team of in-house designers and artisans who are constantly developing ideas and collections of the newest furniture design, home decor accents and furniture for any style to deliver our customers the biggest trends in home decor, through shapes, textures and colours.

Through exclusive designs, high-quality products and timeless style, we aim to offer inspired living and provide a seamless furniture shopping experience online!
