Cambridge is one of the topmost educational institutes in Guntur, Andhra Pradesh with 20 plus experienced lecturers, extraordinary infrastructure, conceptual & practical teaching, hygienic food, well-equipped classrooms, labs, and other required amenities.

Cambridge was started in 2016 by Shri A. Narasimha Reddy. Before 2016 he worked as a software engineer. That time he interacted with many students and observed their circumstances. Finally, he got to know that today's education system is not up to standards. So he decided to start an educational institute called Cambridge especially, to provide quality education to students which help to clear NEET and IIT JEE mains.
