CDG is an independent technical service company and has expert knowledge and experience in providing: inspection & testing services. CDG has been providing inspection services continuously for more than 10 years.

Our core values are safety, quality, and integrity. We focus on delivering a total solution to any inspection needs while integrating our services with our customers' operations and schedules. Through an independent and objective attitude we strive for customer satisfaction by providing services that not only meet but exceed expectations and international standards. With our expertise, we are more than capable to support our international clients. CDG's philosophy is to provide individual attention to client sand to build long term relationships. We have a small business tradition where our reputation, integrity, quality and service is as important to us as our commercial returns.

Our main inspection services are :

- Pre Shipment Inspection (PSI)
- Final Random Inspection (FRI)
- During Production Quality Checking(DURPRO)
- In-Line Production Inspection.
- Factory Audit (FA)
- Workshop and Ware House Inspection or Survey
- Container Loading Supervision
- Ship Loading Inspection survey

CDG has over 10 years of experience across the sourcing and manufacturing sectors within Asia. We are now based in the emerging manufacturing powerhouse that is India as we have seen a strong shift from both small and large firms to this rapidly developing country.

We are available as your trusted partner here in India, ensuring your products are the highest of quality with the least amount of hassle. We understand the intricacies of dealing with factories in Asia and provide solutions not problems to our clients.
