### Our Story

Chaiapps is India's largest company serving the savory aroma of traditional Chai to our customers. We bring together the outright blended flavors of Chai to tea lovers throughout the country. Chaiapps is revolutionizing the way people devour Chai in India.

We are the fastest-growing go-to brand for tea lovers in India. Chaiapps source the finest tea from the chai estates of India and offers it directly to our customers. We offer tea with a taste to remember.

We have a unique preparation for every type of tea that we serve and include the finest ingredients that have been through lots of quality and taste checks. Every sip of our tea will have a flavor to cherish and make you feel refreshed. We have a range of exquisite and savory flavored Chai like fruit and flower chai, non-milk chai, milk chai, chocolate chai, and many more.

### Key Features

We have more than 75 outlets across the country and Chaiapps is expanding its presence in many more locations, localities, and nationalities. With an aim to promote tea as the healthiest drink across the world, Chaiapps is establishing a new norm for health drinks that is tasty, savory, and flavorful.
