**Chandan Enterprise** was incepted in 1970 at Mumbai (India), with a vision to cater to the needs of companies within Gas (PNG & CNG) and Automotive Industries. Today we are recognized as one of the foremost manufacturer and supplier of superior quality Flexible Hose Pipe Assemblies (Anaconda), Compression Fittings, Brass & SS Ball Valves, Brass & SS Pipe Fittings, Manifolds & Automotive Fittings across the country.

With the latest in-house machinery and infrastructure under one roof, we manufacture a wide range of products in different sizes and metals such as brass, stainless steel, mild steel, copper and pipe fittings manufacturers in Mumbai. according to customer requirements.

We are committed to manufacture our products in a safe working environment with the aid of trained manpower.

We have started our venture under the leadership & stewardship of Mr. Jagdish Naraindas Chandan, the CEO, whose vast experience, capability & guidance have made us prominent in the field.

Chandan Enterprise is ISO 9001:2015 certified

Chandan Enterprise is committed to excel & become a world leader in the field of fluid transfer system accessories, pipefittings & valves by achieving its goal of total customer satisfaction by:

- Understanding and anticipating the needs of customers.
- Expanding our knowledge base and improving workforce through training, research, development and innovation.
- Establishing and maintaining total quality management system, as per various internationally accepted standards and thereby producing and marketing high quality products at competitive rates in order to meet and exceed the expectations of customers.
