The Indian architectural and interior design firm Chie Design specializes in both residential and commercial luxury interior designs. In order to meet our clients' needs for residential, commercial, and interior space design in Mumbai and South Mumbai, we provide comprehensive architectural and luxury interior design services. Chie Design offers design services as well as total turnkey solutions for commercial and residential interiors. The company takes care of all requirements, including layout, planning, design, detailing, graphics, and final task execution. Additionally skilled in presentation software like 3D Max, the team helps our clients better understand the project.
