Chiguru Basket is a web and mobile-based application that helps customers to order everyday essentials such as groceries, fruits and vegetables, beauty and wellness, spices, rice, dals, pulses, baby care, bakery needs and get them delivered to their doorstep within just a few minutes. Customers can also choose to shop directly from Chiguru Basket's mobile supermarket - where a convertible mini-superstore rolls right in front of their houses. The mobile applications for both Android and iOS users can be downloaded the PlayStore and AppStore. With Chiguru Basket, shop from a wide variety of handpicked products from 1000+ brands, to help you buy the best quality products for the lowest prices in the market. Grocery shopping has never been better.
