HEBEI WEIZHENGHENG MODULAR HOUSE TECHNOLOGY CO.,LTD. (WZHGROUP) is focused on providing integrated housing solutions for the construction builders, design institutes, developers and construction material traders.

WZHGROUP mainly provides 6 major integrated housing solutions including PC modular house, multi-story building, steel structure building, container house, light steel villa and eco home.

Have more than 1000 employees . And have 6 factories in China.

COMPANY VISION:

WZHGROUP applies industry-leading environmentally friendly green materials, the world's leading structural design.

Most of Our products have passed CE, CNAS, BV, ISO9001 and other certifications.

pre-design consulting services, technical guidance services and after-sale tracking services, which win the trust from customers. WZHGROUP applies ERP systems in production and logistics , which achieve more accurate delivery time.

Professional working team have been the basement for us to devote ourselves to build a world brand "WZHGROUP".

"WZHGROUP" closely follow the pace of the times, and develop the "Going Outward" strategy in 2016 to get close with our customers and the market. We are hoping to bring green building construction to more customers around the world. We are making the best effort to make the sky bluer, the water clearer, so that people could live and work in a better space!
