Junying Metal Manufacturing Co., Limited was founded in 2005, with a registered capital of 3 million, and now has more than 100 employees. We are one of the China best **CNC machining companies**, specialize in low cost OEM **CNC machining parts** manufacturing. The products are mainly used in medical, electronic, aerospace, mechanical, communication, toys, intelligent equipment and other industries.

We have invested a lot quality and production environments. In 2015, We passed the quality system review of SGS Company and got the first "ISO9001:2015" certificate. In 2016, we passed the environment system review of SGS Company. Junying has carefully implemented each regulation in management details in accordance with ISO, and fully guaranteed the CNC machining product quality and customer satisfaction.
