CHY-H1210 Compact 1200 degree Muffle Tube Furnace for multi using laboratory Muffle Furnace [muffle furnace manufacturer](#)

- 1.100*100*100mm chamber dimension
- 2.high quality ceramic fiber chamber
- 3.PID Programmable controller
- 4.Muffle Furnace/Tube Furnace multi-function using
- 5.[Made by Henan Chengyi](#)

Muffle Furnace APPLICATION

- 1.laboratory heat thermal processing cement, building materials industry etc
- 2.Pharmaceutical medicines inspection, pretreatment of medical sample
- 3.Analytical Chemistry Industry: water analysis and environmental analysis
- 4.Analysis of coal quality,determine moisture, ash, volatile matter, ash melting point analysis, gray component analysis, and elemental analysis

PRODUCT PARAMETERS

Product Name	1200 Degree Muffle Tube Furnace
Model	H1210
Furnace Door	side open type

Display Model	Highlight LED display
Maximum Temperature	1150°C
Working Temperature	≤1100°C
Heating rate	≤20°C/min Suggest:10°C/min
Heating zones	Single heating zone
Hearth dimensions	100mm×100mm×100mm
Hearth volume	1L
Tube Size	O.D60*270mm
Sealing method	Vacuum sealing flange
Vacuum degree	10-3Pa with Turbo pump system
Control mode	Intelligent PID auto control
Temperature Accuracy	±1°C
Temperature curve	30 segments programmable
Over heat alarm	Have
Overcurrent protection	Have
Thermocouple Failure Protection	Have
Temperature measure element	K-type thermocouple

Heating Element	Fe-Cr-Al Alloy doped by Mo
Hearth Material	high purity alumina fiber
After-sales service	12 month warranty, durable maintaince and repair support
Power Supply	220V 50HZ
Rated power	0.75kw
Overall dimensions	400×400×450 (mm)
Packing	3-ply wooden case
Accessories	plate,protective glove,crucible hook,crucible tongs,quartz tube,vacuum fl manual.

Our compact 1200c muffle furnace is electrically heated with coil heating elements supported on ceramic tubes generally provided on both side wall and back wall.

Founded in 2013, [CHENGYI](#) is a manufacturer of lab equipment. We not only can supply standard lab equipment, but also we do customized as request. We sincerely welcome worldwide friend come to visit us!

For more laboratory equipment, please [click here](#) to visit our website.
