
CNC Machining China Factory of Precision CNC Machined Parts

Address	Hengli Town, Dongguan, Guangdong, China 523460
Contact Person	Young Zhang
Mobile Number	18898711818
Email	sales@zhuohang.com

CNC Machining China

CNC Machining China Factory is a China CNC precision machining manufacturer and precision machining company with state-of-the-art CNC manufacturing factory in China. We provide custom 3-5 axis **CNC Machining Services**, CNC milling services, CNC turning services and manufacture **CNC Machined Parts** in our China precision CNC machining factory. CNC Machining China is committed to provide you best CNC machined parts and CNC machining services at most competitive prices with short lead time and guarantee of free repair or rework for defective parts manufactured by us. You can trust and rely on CNC Machining China for cost-effective and quality high precision 3-5 axis cnc machining, cnc milling, cnc turning and wire EDM machining for your custom metal and plastic parts machining manufacturing.

As a customer-oriented high precision China cnc machining company with factory quality management system of ISO 9001 and IATF 16949(TS 16949), CNC Machining China team stick to continuous improvement of CNC machined parts and CNC Machining services.

High Precision Machining, Complex Machined Parts, Perfect Quality:

CNC Machining China Factory is equipped with state-of-the-art high precision CNC machining equipment and testing equipment including 3 axis, 4 axis and 5 axis CNC machining centers, CNC lathes, Swiss CNC Machining Centers, precision turning centers, precision grinders, slow wire EDM cutters, precision stamping presses, 2D optical measuring instruments, 3D coordinate measuring machines, height meters, microscopes, roughometers, and metal material detectors, giving us extensive precision CNC machining manufacturing and high quality control capability.

Why should you choose CNC Machining China?

State-of-the-art Modern CNC Machining Facilities.

CNC precision machining since 2000.

Rich experience in high precision and complex machining projects.

From 3 axis CNC machining to 5 axis CNC machining.

3D CMM equipped for complex and close/tight tolerance parts.

Prompt response to you within 24 hours.

Quotation for you within 48 hours upon receipt of drawings or samples;

Short lead time for urgent orders.

High quality at reasonable and competitive prices.

No minimum order quantity required. You can try us from 1 off order.

ISO9001 and IATF16949 quality management systems.

Guarantees/Warranties: CNC Machining China provides free repair or remake/rework for defective CNC Machined parts manufactured by CNC Machining China Factory. All the repair or remake cost including returning and shipping will be on us. Modern CNC precision machining for fine machining plus conventional machining for rough machining means cost-effective. Quite familiar with stainless steel machining.

Devoted to be your long-run precision machining partner not just supplier.

Payment choices: Paypal, Western Union and Bank or Wire Transfer are welcome

Net 30 Days, Net 45 Days and Net 60 Days are acceptable for long-term customers.

Get a free quote today from CNC Machining China Factory. We are experts in CNC machined parts manufacturing and CNC machining services.
