Pyrotech Workspace Solutions is a pioneer in delivering turnkey Control Room Solutions and Ergonomic Command Centre Console. Our idea of a command centre is based on sustainable, safe and contemporary workspace for both, the operators and the equipment. Emerged from India, our services are widespread in more than twenty-five countries including Australia, Qatar, Bahrain, South Africa, Saudi Arabia, Kuwait, Oman & UAE. Our team has delivered over 50,680 Consoles & 320+ control rooms to critical process industries such as Oil and Gas, Steel, Power Plants, Aviation, Cement, Marine, Smart City & Surveillance and many more. Our vision is to provide ultra-modern designs with strict adherence to international standards of Control Rooms Solutions & Control desks.

While designing an end-to-end Control Room Solutions, important parameters are kept in minds such as desired functionality, safety, ergonomics, compliance to applicable industry norms, and overall aesthetic appeal.
