Crafts Mill is the smart way to buy solid wood, premium furniture online at the best price.

We are an exporter and B2B supplier of Premium solid wood furniture.

We started this initiative to provide the same quality, price, customisation and attention to detail when you choose a piece of furniture for your home.

Whenever you choose a piece from our site, we will contact you to custom make and finish it just the way you would want it for your house.

The furniture you bring to your house will define the relationship you will have with your living space for years or generations to come. Every piece we build for you is crafted keeping in mind just that.

Checkout affordable and premium furniture from Crafts Mill website.

Crafts Mill is one stop shop and a best destination for buying furniture online.
