Croma Campus (P) Ltd. is an ISO 9001 : 2015 certified Training Organization run by highly Qualified Technical Professionals associated with various Top Level MNCs also having 15+ years of experience in various technical domains.

We are specialized in providing best-in-class technical training and certifications on all popular technologies available globally. We offer several innovative learning methods and delivery models to cater the unique requirements of a global customer base. We also provide corporate training's on various cutting edge technologies. We have a team of Certified Trainers with minimum 10+ years of Industry background. In past 7 years we have trained 18000+ candidates and out of which we are able to place 12000+ professionals in various industries successfully. Our courses are for individuals as well as for corporate. We also undertake customisation of the courses as per client requirement.

We have partnered with various companies and agencies to help place our students with the best matching position with startups and MNC's. We have developed P3-Model (Placement Preparation Process) which helps students to crack interviews.

Our Placement Process
