Crypto press release distribution is a service that has been steadily growing in popularity over the years. There are many reasons why this is happening, but one of the main ones is because it can be difficult to get your story or article published in mainstream media outlets. Crypto press release distribution services offer media exposure to otherwise unknown cryptocurrencies and blockchain projects by submitting them to major news outlets such as Forbes, Business Insider, Yahoo Finance, and more. Crypto Press Release Distribution: -Is becoming increasingly popular -Offers exposure for cryptocurrencies and blockchain projects by submitting them to major news outlets -Majority of crypto press releases are submitted through online platforms
