There are many D Pharma colleges in Meerut because D Pharma is the basic requirement for becoming a pharmacist.

Pharmacist is the professional that manages the pharmacy & dispenses drugs to the patients.

Over the years, many D Pharma colleges have mushroomed because pharmacy offers self-employment.

Other courses like Engineering except computer engineering are losing sheen because India's economy is service oriented with 50% revenue attributed to it.

This leaves hordes of engineers struggling for core jobs because there is not enough manufacturing in India.

While Pharmacy is gaining momentum because India is the largest generic drugs & vaccines exporter in the world.

Pharmacist has the skills to be self-employed because they can dispense drugs through retail stores.

This evergreen profession has fostered D Pharma colleges in Meerut because people pursue a course that is evergreen & promotes self-employment like Doctors & Architects.

In this article, I will elaborate on ways a student can judge a college because taking the right decision is crucial.

The Diploma in Pharmacy (D Pharma) is a 2 years undergraduate course which Science students can pursue after class 12th.

It's the stepping stone for a pharmacy career because through lateral entry diploma, holders can pursue graduation in pharmacy.
