Contact Person	Dalvkot
Mobile Number	+919353049993
Email	dalvkotinstitute@gmail.com

For doctors that could not pass MRCP despite best efforts, the offer to train until pass should boost their confidence and comfort. However, this offer is for committed Doctors who are assessed by their attendance and performance. For clinical postgraduates the fee is 50% of the graduate fee. This program can be pursued as part of an external program in which the students will work as DMO's in our partnering hospitals.

The program can also be pursued by students by working in their respective hospitals. We prefer the first as the trainees are with MRCP faculty on a daily basis, however the second option is also with us. I am here with enclosing the registration sheet for the program at Citizens hospital at Hyderabad/Sunshine Hospitals at Hyderabad/ Manipal and Ayush Hospitals at Vijayawada.
