DDE is a leading enterprise engaged in designing, manufacturing, qualification and commissioning of sterile process systems. By envisioning smarter ideas, greener technologies and solutions, we have been redefining boundaries in the high purity business while working with bio-pharma, vaccine and sterile formulations industries for the last 25 years. With an unrelenting passion for excellence and an unwavering focus on providing smarter solutions, our team of close to 200 researchers, engineers, technicians, designers and experts work at the intersection of technology and healthcare to solve some of the industry's toughest challenges and problems.
