**Divya health & hygiene** was formed in 2019 for the feminine care & hygiene products mainly like Disposable period panties.

In India in feminine hygiene sector there is no revolution as the category is limited to sanitary napkins thick & thin products called as Fluff & Ultra-thin products. Since last few decades the same products are serving the consumers though the demand is for best comfort & protection.

Hence, we brought total revolution in sanitary napkin category which is Sanitary Napkin-Disposable period panty type.

### WHY CLOVIA DISPOSABLE PERIOD PANTIES
