EA Laboratories is a multispecialty testing laboratory, established in 1991 with commitment to quality service and patient care.

In 1992, EA Laboratories was the first in India to introduce the concept of inter laboratory reference testing within the state and outside of state.

We are the first laboratory in India to start In vitro Allergy tests in 1998. Complete allergy detection from serum sample. So far, we have tested over 6,50,000 samples for allergy. We have also provided de-sensitization therapy & guidance to over 65,000 patients.
