Emaar India is the leading name in real estate developers, not just in India but worldwide. They are known for their remarkable engineering, thoughtful architecture and impeccable execution. They are responsible for building some of the most famous edifices in the world. The cooperation develops a variety of real estate assets such as master-planned communities, offices, shopping malls, hotels, incorporated townships, houses, and flats, among others. Their projects are located all over India, including Gurugram, Delhi/NCR, Chennai, Lucknow, Indore and many other cities.

Emaar India is the leading name in real estate developers, not just in India but worldwide. They develop properties in the following three categories: real estate, leasing, and hospitality. In the real estate category, they engage in building and selling projects such as villas, plots, and commercial buildings. Examples include ready-to-move apartments in Gurgaon, plots and luxury villas in Mohali and Indore, commercial shops in Gurgaon, offices for rent in Jaipur and the likes. The hospitality segment includes the construction and management of hotels, serviced apartments and other leisure avenues. The leasing category includes developing, leasing and managing commercial and residential spaces, retail developments and malls.
