Employee Monitoring Software

Address	3rd Floor, Fusion Square, 5A & 5B, Sector 126,
Contact Person	
Mobile Number	
Email	hello@workstatus.io

Employee monitoring refers to the practice of tracking and observing employees' activities, behaviors, and performance within the workplace. While employee monitoring can provide valuable information for improving efficiency, ensuring compliance, and safeguarding company assets, it also raises ethical and privacy concerns.

Employee Monitoring Software
Time Tracking Software
Time and Attendance Tracking
Employee Productivity Monitoring
Time tracking for developers
