About Envocare

Our residential and **commercial pest control services** cover the eradication of rodents, cockroaches, flying insects and termites among others- wherever they may be, in your home or at your workplace. Our packages are flexible, depending on the size of your home and your requirement. Based out of Mumbai, we operate across Mumbai city, suburbs, Navi Mumbai and Thane. Get in touch to get started.

All Eco-friendly Processes

Most times, the chemicals used to terminate pests may cause harm to your home and family too. That's why we have products and solutions that are 100% eco-friendly, ensuring you get back to living without fear.

Trained Professionals

Every employee at Envocare is a professional who's well-trained in pest control. They follow the same procedures and deliver the same quality service. We make sure of that.

Child safe

We take extra care when applying our treatments and chemicals we use, which means you can worry less about the young ones at home touching or sitting on a fumigated area.

24x7 Support

Our call-center is open through night and day. In case of emergencies, complaints or advice, we are there for you whenever you need us.

Safe for Environment

Our solutions eradicate the pests without leaving behind impurities at your home. So no kerchiefs around your face or waiting outdoors for hours!

Flexible Solutions

Each one's pest control needs are different. So why should the package be rigid? With us, you get flexible packages basis the size of your premises and the problems you're facing.
