Proago is based in Bangalore and cater to the Small, Medium & Large Enterprise segment.

We are predominantly into CRM, ERP and other business suite sales and integration and have partnered with Zoho & EPPS ERP Bangalore in providing a flawless solution to micro, small, medium and large enterprise equally.

As a ZOHO Authorized Partner in Bangalore we are keen to change the way businesses function and operate.

With EPPS ERP we focus on Distribution and Supply Chain Solutions across the distribution network, Inventory Management, full-fledged Finance and Accounting software, Production & Quality, Logistics etc.

As part of our growth that we envision, we are in process of expanding to other cities in South India in collaboration with our partners.

Our team consists of Techno Sales professionals who understand customer needs and provide the appropriate solution. Our implementation team ensures that you get a flawless ERP system, which helps you operate your business more efficiently.

Proago's vision is to become a global reseller of software solutions and services and we are in discussion with key players in emerging markets.

The systems we integrate are TRACEABLE, ACCOUNTABLE & RELIABLE
