Fabrication World is the trusted name in the manufacturing market as a Quality Metal fabrication shop in Indore. Since its inception in 1984, we have raised the level of Iron and Steel Fabrication. We fabricate with selected iron and steel which is best in class for any kind of fabrication work. We pass our work through various quality tests and checks. The quality checks are strict to guidelines and quality standards set by us based on material strength, fabrication process, galvanization process, and more factors. Being the most trusted fabricator for boundary wall, the Fabrication world has redefined the processes of Iron Fabrication and Metal Fabrication.

Fabrication Services that we offer-

We offer top-class fabrication services which we design, fabricate and finish each of our work in a way that gets us new and repeat customers. We are a professional fabricator of the following services:

- Iron Main Gate
- Channel Gate
- Vertical Gate
