We are ardent fans of Tally accounting application developed by Tally Solutions Pvt Ltd. Tally has been a pioneer and a market leader in accounting applications since more than 2 decades. We believe that Tally is the most flexible and convenient accounting application in the world and no other accounting application can provide the experience that Tally solutions does.

Making best use of the integration channels provided by Tally, we at Finsights aspire to offer the users with state of the art functionalities on top of Tally Accounting Application.

Developed for Tally users, Finsights is an extremely User Friendly platform which makes reviewing transactions 100 times faster. Finsights is a collaborative platform that allows accountants, chartered accountants and entrepreneurs to work on a single platform. It is a highly interactive tool both Tally on Mobile and Tally on Web, for your daily accounting activities. With Finsights, Tally users can instantaneously access data online from anywhere.
