First Policy has the distinction of being one among the first batch of 11 broking companies in India. Professionally managed in all spheres, the firm is governed by a board and has a healthy mix of professionals from diverse fields, viz. insurance, finance, engineering and marketing. This diaspora of expertise allows to create customised solutions unique to your business. We are totally independent of any insurance company. This means that when you contact us, you can be assured of impartial and up to date advice in your best interests. Risk is an inevitable part of life which we all have to face. The ability to assess and manage risk enables individuals, businesses and the community to develop and grow. Our job is to make sure that you have the personal and corporate confidence necessary to succeed in today's vibrant but complex business markets. First Policy strives to maintain open communication with all clients and prospects through every step of the insurance process.
