Furvilla was founded in Feb'2020, what began as a passion later turned into full time business. Our inspiration is our beloved Mili, we had a humble beginning with designing outfit for Mili which later expanded into a variety of other products viz Harnesses/Bandanas/Bows.

We ensure to deliver products on time without compromising the quality and also ensuring to use pet-friendly/nature friendly materials while making the product. All this of course at pocket friendly prices. Our aim is to be a leader in pet boutique in India, expanding to a global scale in the later phase. We also intend to be a Single Stop Platform catering to all pet needs viz Pet Food, Toys, Grooming in the later phase of 2023.
