Gaatha Design Studio is a design-led innovation agency, solving complex challenges with a focus on people and the future. We build brands, design products, bring spaces to life and enhance experiences all while opening up opportunities and delivering ideas & solutions that drive our clients towards rapid growth. We help our clients tell their story better with the magical touch of design.

We help our clients define their businesses, products and services better with the help of strategy, branding, content, UI/UX, product & service design. We also provide interactive experiences, digital marketing and communications. We solve complex problems faced today by our clients and make them future-ready together through design thinking and discovery workshops specially curated for them.
