Based in Farmington Hills U.S.A, **Globaltech Ventures** (GTV) excels in the automotive, aerospace and consumer goods industries worldwide with rapid prototype, low volume production services and prototype tooling. We at GTV always focus on offering outstanding quality products to our clients. Our team of dedicated staff members has played a crucial role over the years to take GTV Inc. to its current top position. With operations based in USA, China, India and Japan we are able to supply and manufacture tools and prototypes of high quality at unbeatable prices. Our diverse range of services includes Prototype & Tooling, Design Support and Manufacturing & Assembly services. Our aim for each project is to exceed our customer's expectations and on-time delivery.
