Golden Eagle It Technologies Pvt Ltd. is an information technology (**IT**) Company with its corporate headquarters in Indore, Madhya Pradesh, India. It has a development center in indore. We have an employee strength of 60 people in Indore. The company focuses on custom web application development, CMS (Content Management Systems) and Enterprise Mobility Services. Golden Eagle It Technologies is a multi-skilled software service provider with a highly competent workforce and strong global presence. With years of honed expertise in cross-platform skills and quality-integrated methodologies, Golden Eagle It Technologies adopts a competent global delivery model in providing value-based solutions as well as professional services to clients worldwide. OpenSoftIndia brings clients the best of both worlds: the savings and superior quality of offshore development, and the immediacy and trust of a local company. Golden Eagle It Technologies delivers a full range of application development, testing, enterprise solutions, business process consulting, systems integration and staffing services as well as pre-defined solution frameworks. In today's business environment, operations cannot be separated from technology and therefore we aim to provide a holistic service to our clients using Operations-as-a-Service (OaaS) methodology which combines shared KPO services with our products run in a Software-as-a-Service (SaaS) model. This OaaS-SaaS methodology is unique in the industry as it provides operational benefits to our clients by focusing on operations and technology simultaneously. And, because of a background serving Global 1000 companies, OpenSoftIndia remains focused on its prime objective- to deliver high quality solutions to its clients at optimal costs by adopting the most relevant and advanced technologies through empowering professionals and building trust-based relationships with its clients.
