The **DIY Home Decor Products** clip on pen holder is a classy item that looks great on your desktop, in your kitchen or wherever a pen is needed. Use one as a sophisticated reminder to those who pass by of the importance of the task you are working on. The strong magnetic back keeps the pen firmly in place, leaving both hands free for writing. The decorative design of this item will complement a variety of styles and tastes to keep your home or office looking neat and tidy at all times.
