We offer chic spaces with modern amenities, a blend of tasteful spaces with aesthetic rooms, whenever you need them, at unbeatable prices.

Our exclusive Presidential Luxurious Executive Boutique Studio is opulent in choices, luxurious in comfort and royal in treatment. It's not your regular 'home away from home' hotel. Rather it's a boutique studio, which is anything like a stay at home. We aim to create an experience that you will cherish and talk about with your loved ones and with friends after going back.

The best thing about our studios is the feel good factor and comfort that it soon becomes “my room”.

We have in-house lap pool and gymnasium for our in house guests. Also, lawn, children park, tennis court, badminton court are there for entertainment. Besides travel desk services are round the clock operational.

Our dedicated staff ensures that you are attended any time of the day.
