India Auto Studio offers the best car polish service available. We are a highly specialized car detailing and headlight restoration company. We are experts in automotive paint correction and scratch removal and only use world renowned products from Scholl Concepts, Swissvax and Colourlock.

India Auto Studio is not a valet center but a car polish and detailing center and we handle paint correction on different types of automotive clear coats and lacquers. Through the use of quality International products, our technical expertise and years of experience, we achieve the high gloss and pristine finish that your vehicle truly deserves.

Once the required quality and gloss is achieved on the paint work, Detail My Ride offers premium paint sealants and coatings to prolong the magnificent finish and reduce the daily wear and tear from outside elements.

Our knowledge of car polishing and detailing is extensive and we have worked closely with some of the top vehicle manufacturers in the country.

We love cars and take great pride in making your ride look awesome. Our unique and flexible system at India Auto Studio helps us to achieve a complete service!
