Xcel Marketing, New Delhi was conceptualized in 2008 by a group of professionals having years' experience in low-cost personalized marketing. Since our inception, we are providing state of the art services for making target marketing more affordable and result oriented for every size business.

Everyone at Xcel marketing has a common vision: "Do the best to provide competitive services for focused marketing delivering multi-dimensional long term benefits at least price."

Bulk SMS is probably what plays the biggest role in the whole process and might actually be a very beneficial tool for any business. Simply put, bulk SMS is a service that allows you to send a large number of text messages to a broad audience, all at once. It is not industry-specific, so whether you're a marketer at some nice local restaurant, a bank, or working in an educational institution, there are still many possibilities to tailor those messages to meet your needs and add value to your audience.

This Service Will Help You To Promote Your Business In Your Targeted City Or State To Generate Business Leads Or To Be In Contact With Your Company Clients To Be In A Good Relation.

This Will Help You To Give Them Updates About Your Company Services ,New Offers , Greetings Etc.
