Indianshelf is an online platform for products that are made from traditional techniques, skills and hand-based processes. Indianshelf links over 5,000 craft based rural producers to modern urban markets, thereby creating a base for skilled, sustainable rural employment, and preserving India's traditional handicrafts in the process.

We at Indianshelf aim at connecting our buyers directly to these craftsmen so that they can work together in a very economical and effective way.

We promote green products, our products are natural, craft based, contemporary, and affordable.
