Vivitek, a brand of Delta, introduces Novotouch range of interactive Flat Panel Displays (iFPD) in four screen sizes that range from 65" up to 98" to offer a visual solution for meeting rooms or huddle spaces of all sizes and in all locations. The **interactive Flat Panel Displays** are available in Ultra HD 4K, delivering outstanding detail and stunning visuals. This is further complemented by LED backlit technology for a brighter picture, longer life and lower energy costs.
