A pioneer of water treatment in India with a legacy spanning over five decades, Ion Exchange is today a premier company in water and environment management with a global presence. Formed in 1964, as a subsidiary of the Permutit Company of UK, Ion Exchange became a wholly Indian company in 1985 when Permutit divested their holding. Over the years, we have accumulated a wealth of experience and are now recognized as a leading solutions provider, one of very few companies worldwide with complete range of solutions for Water, Wastewater Treatment, Solid Waste Management and Waste to Energy.

Our comprehensive technologies, products and services, enable our multidisciplinary teams of experts to cater to Industries, Institutions, Municipalities, Communities, and Homes.

With sales, production and service footprints across the globe, we serve our markets with a sustained focus on customer satisfaction, technological innovation and dedicated service.
