Juego Studios is a leading mobile game studios, offers services and solutions for art & design, game & app development for Android, iOS, VR & AR, Windows, Facebook and cross platform and Gamification.

Incepted in 2011, Juego Studios, an ISO-9001:2015 certified, has become one of the leading game design company. We are a society of some creative innovators, artists, storytellers and mobile game developers, who are building some awestruck games. Our forte is to design and develop visually thrilling games and application using gaming technologies across various platforms. We are specialized in:

- Art & Design
- Mobile Game Development
- iPhone game development
- iPad game development
- Android game development
- Windows game development
- 2D/3D game development
- Cross platform game development
- Online game development
- Gamification
- Game Porting
- Visualisation / Simulations apps
- Virtual reality game development
- Augmented reality game development

We offer a bouquet of aesthetic games such as Slime Soccer, the Emerald Maiden, Puma Gunners, Celtic Sports and many more.

Our Accolades and Achievements:

- "Hello Kitty", a game developed by us had been featured & ranked no.1 in Google Play Store.
 - CEBA Awards: Best Farm App.
 - '20 Most Valuable Mobile Application Solution provider' by Insights Success.
-

- 'Best Gaming Software Companies, 2015' by STPI.
- Games with more than 10 million+ downloads, created by our team.

Today, we have enrolled 60+ brands including some big industry giants like Coca-Cola, Disney, WB, PUMA, Johnson & Johnson, Emirates NBD and many more, across 20+ countries.
