The clinic was established by Dr. Deepti Asthana and Dr. Ashish Khare in 2017 with the vision to make people beautiful from inside out. This clinic has been aptly named KALOSA which has come from 'KALOS' meaning beauty in Greek. The owners are experts in their respective medical fields and their expertise and perfection in surgery makes this clinic a center of excellence.

The clinic also offers various other services like face surgeries including breast lift, breast reduction, breast augmentation, liposuction, rhinoplasty, blepharoplasty, lip surgeries, Vaginismus, Hymen repair, Vaginoplasty, Clitoral hood reduction, Labia minora reduction, Labia majora fat grafting, Facial scar, Fat grafting tace, dimple surgeries etc. Hair services like transplant and growth factor therapies are also popular among male & females.

Anybody wanting to rejuvenate the face, breast, body, and vagina should definitely visit this clinic.
